

# WHERE ARE UT GRADUATES WORKING: TOP 3 INDUSTRIES FROM 2018

presented by UT System

2013-2017 graduates found working full-time in Texas for a full year

ACROSS ALL DEGREES

A great many UT System graduates are working in industries that contribute to the benefit of society—as educators, healthcare professionals, and specialists in fields such as law, architecture, and engineering. Our graduates are educating the next generation, improving the health of our society through medicine and medical research, and are developing new technologies, structures, and processes to better organize our lives.
