

WHERE UT GRADUATES ARE WORKING: TOP 3 INDUSTRIES FROM 2025

presented by The University of Texas System

2020-2024 graduates found working full time in Texas for a full year

ACROSS ALL DEGREES

The majority of UT System graduates are working as educators, health care professionals, and specialists in fields that contribute to the benefit of society, such as law, architecture, and engineering. UT graduates are educating the next generation, improving the health of our society through medicine and medical research, and are developing new technologies, structures, and processes to better organize our lives.
