

## WHAT IS seekUT?

seekUT is a free, online tool that presents data on the employment outcomes of University of Texas graduates over time. It also offers special reports for medical and dental students. Students and families can use seekUT to help them make informed decisions about their education and their financial future.

## WHAT STUDENTS CAN EXPECT TO FIND ON seekUT

### AFFORDABILITY

Students will discover the median student loan debt at graduation for those who took out loans, the percentage of students who borrowed, and the estimated monthly loan payments compared to median monthly earnings.

### EARNINGS

Students will learn what the median earnings are for UT graduates working in Texas 1, 5, and 10 years after graduation.

#### Coming Soon

New partnership with the U.S. Census Bureau will provide earnings for graduates working across the country.

### EMPLOYMENT

Students will find out which industries are employing UT graduates in Texas, as well as predicted job openings.

seekUT users have access to data for nearly **400 degree majors** at the bachelor's, master's, doctoral, and professional levels at **UT institutions**.

Based on **220,000 UT Graduates** working full-time in Texas.

### GETTING THE WORD OUT

UT System is reaching out to academic advisors and career services professionals, as well as high school guidance counselors, to spread the word about seekUT. It has published student-targeted ads that have appeared in strategic industry publications, both print and online.

### OUR AUDIENCE

More than 225,000 current UT students; approximately 60,000 new students every year; college-bound high school students and their families; advisors; career services professionals; high school guidance counselors; legislators and policy-makers.
